Call for Speakers

We are seeking to provide a wide range of topics that directly relate to Metaphysics, Health, Psychic Mediums, and Health Wellbeing, sharing tools, tips and resources to local seekers of truth. Unlimited Horizons of the Emerald Coast invites you to share your expertise and experience in the Metaphysical world of truth seekers as speaker for the year of 2014. Please use this form along with any necessary attachments to be considered as a speaker or go to our website at www.unlimitedhorizons.org and fill out this form electronically.

Speaker Guidelines

- Presentation should be planned in two 1 hour & 15min segments with a 20 minute break in-between. These times are fairly firm. Please let us know if your lecture needs are different.
- Presenters are asked to focus on the topic they have agreed to speak on, and not use this as a opportunity to advertise. Please use the time at the end of your presentation to share contact info and sales information.
- If you have any books or DVD's for sale, we will provide a manned table for you to display your wares to public coming in for presentation. We request that 10% of all sales be donated to Unlimited Horizons at the end of event.
- Application must be submitted by the person who will be speaking. You can go to our web site at www.unlimitedhorizons.org, to fill out an application.
- Please apply early, as we are setting up our 2014 year.
